10. All Fees and funeral pool payments are non-refundable.

- In case of member's death, "NICE funeral program" committee will withdraw funeral cost(s) from members account not more than **\$30/member-family** for an occurrence. If the member has three units then the maximum cost will be \$90.00 per occurrence.
- Amount for each occurrence will go down with our increasing membership.
For example: If we have 100 members-family and funeral cost for one person is \$5000, it will be equally divided among all the members-family (EXCEPT THE DECEASED MEMBER'S FAMILY) and each member will be paying $\$50.50 - 20.50 = \30.00 ($\$5000/99$ members).NICE will pay the remaining i.e. \$20.50. This exact scenario with 200 members – each member will be paying $\$25.13$ ($\$5000/199$ members).

PLEASE HELP THIS PROGRAM BY JOINING MORE MEMBERS.

- You will be notified by e-mail that incident has occurred and the amount you are responsible for.
- 15th of that month or following month, the amount will be withdrawn from your bank account.
- Any additional balance remaining will be paid by "NICE".

11. In case of a Canadian resident's death outside Canada, following amount will be paid:

- For anywhere in Southeast Asia actual cost with receipt and up to Maximum 150,000 (one hundred fifty thousand LOCAL CURRENCY).Funeral cost related receipt has to be provided.
- Anywhere besides North America and Southeast Asia, amount provided will be the same equivalent to the funeral cost as North America only in the local currency of that country. For example: If one of the member deceased in GERMANY, and the funeral cost in Canada is \$5000 CAD at that time, will be provided in GERMAN currency amount equivalent up to \$5000 CAD or actual cost whichever is lower.

12. In the case of a death where the body is missing, NO benefits will be provided as this is NOT INSURANCE, rather an effort to lesser the burden of the FUNERAL COST ONLY.

13.
